Lafuma X Raid 40

The X Raid 40 is part of Lafuma's array of new trail running and adventure racing packs and footwear. It features plenty of pockets for cameras, water bottles and other items, two ice axe holders and an internal compression system. It provides quick access to the hydration pocket via the bottom of the pack and a...

ActiveTrax Audio

With a dual-mode charging system that enables users to charge through dynamo cranking or solar charging, ActiveTrax Audio can play MP3 tunes anywhere. It also has an AM/FM/Weatherband radio and a USB port, which provides back-up charging for any USB-compatible device. **Booth #29043**

Adventure Medical Kits World Travel Kit

Made from 50 percent recycled fabrics, the World Travel kit comes stocked with a comprehensive array of medications and wound-care items to treat most common travel ailments and injuries. The kit also features a "Point-
