Presley to Pooches

Whether it's a cozy cable sweater reminiscent of Elvis in the '50s, or a sparkling collar that cries Viva Las Vegas™ the Hound Dog Collection™ is perfect for every pooch — hound or otherwise. Other products sure to get dogs all shook up are rugged denim jackets featuring Elvis and a beloved basset, a Jailhouse Rock™ striped tee and cap for those Halloween hounds, plush toys in the shape of Blue Suede Shoes™, body-hugging black tees with "Elvis" in red rhinestones, Love Me Tender™ collars and an army jacket commemorating Presley's military service. A matching treat jar and feeding bowl made of black and white ceramic showcases Elvis' signature and popular film clips.

Coming later this year: toys in the shapes of microphones, guitars and hound dogs, a record-shaped bed, peanut butter and banana treats, and polo shirts adorned with Elvis' image and his mantra — "taking care of business." Also a glittering gold tuxedo and tight white American eagle jumpsuit ideal for the Vegas strip, dogs everywhere can count on basking in the limelight no matter what their star quality. **Fox & Hounds Ltd., 4601-A Eisenhower Avenue, Alexandria, VA 22304; (800) 735-2299 or (703) 461-6001; fax (703) 461-6617; Web: www.foxand-hounds.com.**
