

#### **SEATTLE SPORTS**

The SmartRack Bars offer a quick, easy-to-mount and dismount, gas-saving roof-top solution to transport bikes, kayaks and cargo boxes. With straps that mount through the vehicle, this rack can be easily taken off the car, eliminating wind drag and noise, and improving gas mileage, when a rack isn't needed. The model fits most any car, with or without a roof rack. **SRP \$75.**
